## FOR IMMEDIATE RELEASE

### Topaz Digouts

*Mono County* – The California Department of Transportation (Caltrans) will begin the Topaz Digout project on August 5, 2013. This project will cold plane the asphalt pavement, place a hot mix asphalt overlay and paint traffic stripes on US Hwy 395 near Coleville from Larson Lane to Topaz Lane.

Drivers will encounter one way reversing lane closures with flaggers and should anticipate up to 20 minutes. Construction work has been scheduled for Monday to Wednesday from 6:00 am to 8:00 pm.

This project is scheduled to be completed August 7<sup>th</sup>, 2013.

The contractor for this \$260,560 project is Qualcon Contractors of Minden, NV.

For the safety of the construction crew and motorists, please be attentive to closures, slow for the cone zone, and move over one lane where possible.
