Subject: **STIP AMENDMENT 12S-014**

RECOMMENDATION:

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve the requested State Transportation Improvement Program (STIP) amendment. This item was noticed at the Commission's January 8, 2013 meeting.

ISSUE:

The Ventura County Transportation Commission (VCTC) proposes to amend the 2012 STIP to delete \$7,500,000 in STIP – Regional Improvement Program (RIP) funding for construction of the Metrolink Infrastructure; Annual Replace, Upgrade project (PPNO 2921) in Ventura County.

BACKGROUND:

VCTC has requested that this project be removed from the STIP. With the availability of new federal apportionments for rail rehabilitation projects in Ventura County, the VCTC has determined that the STIP funds are no longer needed.

Consistent with STIP Guidelines regarding the deletion of programming in the current fiscal year (FY), it is proposed to allow \$1,500,000 in FY 2012-13 RIP to lapse on June 30, 2013. The remaining \$6,000,000 programmed in future years of the STIP is proposed to be returned to Ventura County's regional share balance.

The proposed revision is shown in the following table:
