Subject: **APPROVAL OF PROJECT FOR FUTURE CONSIDERATION OF FUNDING**

RECOMMENDATION:

The California Department of Transportation (Department) recommends that the California Transportation Commission (Commission), as a responsible agency, approve the attached Resolution E-13-47.

ISSUE:

03-But-99, PM 40.55/40.75 **RESOLUTION E-13-47**

The attached resolution proposes to approve for future consideration of funding the following project for which a Mitigated Negative Declaration (MND) has been completed:

- State Route 99 (SR-99) in Butte County. Construct bridge improvements on an existing bridge on SR-99 near the city of Chico. (PPNO 2427)

This project in Butte County will widen the shoulders of Rock Creek Bridge from two feet to eight feet. The project is programmed in the 2012 State Highway Operation and Protection Program. The total estimated cost is \$3,940,000 for construction and support. Construction is estimated to begin in Fiscal Year 2014-15. The scope, as described for the preferred alternative, is consistent with the project scope programmed in the 2012 State Highway Operation and Protection Program.

A copy of the MND has been provided to Commission staff. The project will result in no significant impacts to the environment. The following resource areas may be impacted by the project: biological resources. Avoidance and minimization measures would reduce any potential effects on the environment. These measures include, but are not limited to, the purchase of credits at a National Marine Fisheries Service approved anadromous fish conservation bank at a 3:1 ratio for riparian habitat removed and payment to a U.S. Army Corp of Engineers approved In-Lieu fund for impacts to Waters of the U.S. As a result, a MND was completed for this project.
